Senator Jerry Hill
State Capitol Room 5035
Sacramento, CA 95814

RE: AB349

Dear Senator Hill:

I support AB349 which allows SIVs who worked with the U.S. military preference for state civil jobs similar to that of veterans. Many of these cases include interpreters, drivers, and people who often ran the same risks as those in our military for our country. They often have similar skills or expertise as that of any veteran that could enhance our own community.

Thank you,
