

March 2017

Supervisor Warren Slocum (District 4)
Hall of Justice
400 County Center
Redwood City, CA 94068

Dear Supervisor Slocum:

We, the undersigned, urge you to consider sponsoring and supporting legislation that protects the privacy of your constituents. We would like your support in securing transparency into electronic surveillance by police and all local law enforcement.

Santa Clara has one of the most comprehensive, privacy protection laws in the country sponsored by Supervisor Joe Simitan. We urge you to sponsor a similar bill in San Mateo County.

We are interested in a meeting with you to discuss this further. We appreciate your attention to this important matter.

Signed:
