*Different phone bank scripts can send very different messages...*

From James Thompson (KS-4)'s script: "This really is a critical time for our democracy. James Thompson has sworn an oath to defend our constitution, twice, once when he enlisted in our military and again when he received his law license. Meanwhile the Republicans want to send a Brownback yes-man to Washington to help nationalize Brownback's failed tax experiment in Kansas. This is going to be a low turnout election and represents the best opportunity Kansas has had in decades to send someone to Washington to fight for the middle-class."

*A Jon Ossoff (GA-6) script and talking points on the next pages...*

My name is \_\_\_\_\_ and I'm a volunteer with the Jon Ossoff campaign. How are you doing today? (listen, respond apprioritatly)

I'm calling first of all to thank you for supporting Jon. The campaign is so humbled to have your support. Can we still count on you to vote for Jon on April 18th?

Which candidate do you plan to support in the GA-06 special election primary?

Question 2

Great! Thank you so much for the support. I'm also calling because Early Voting starts this Monday March 27th. Can we count on you to vote early for Jon?

(refer to polling location sheet for questions on early voting)

Will you commit to voting early for Jon Ossoff?

Question 3

Can we count on you to help knock on doors to make sure all your neighbors hear about Jon?

Will you volunteer for Jon Ossoff for Congress?

[IF YES to vol ask] That's great! We meet every weekday at our Chamblee office (3652 Chamblee Dunwoody Rd) at 11am and 3pm. Saturdays we knock at 9am, noon and 3pm and Sunday we knock at 1pm. Which times work best for you?

[WRITE SHIFTS ON SHIFT SHEET]

[If hesitant to vol ask] Going door to door is the most effective way to talk to folks and is always really fun! Before you go out an organizer will train you and make sure you have everything you need to canvass successfully! (try to schedule for a shift)

[IF NO twice] That's okay. Thank you for your support!
