RE: H.R. 2841 and S. 1324

Dear Senator Feinstein:

Thank you for being such a strong advocate for sensible gun reforms in our state increasing all of our safety. I am in full support of the Support Disarm Hate Act you sponsored. Given the wealth of evidence showing that those of accused of hate crimes pose a substantially greater risk of committing violent crimes, it makes sense that such individuals convicted of a hate crime misdemeanor are prohibited from obtaining a firearm.

As your constituent, I commend your continued show of strength in reversing our toxic gun culture. Know that we will, as engaged citizens, will support you to ensure this Act is passed.

Thank you,
